

Lightening round: Challenges to small collections – recruitment and retention

Recruiting, Supporting, and Retaining Small Collections
in Biodiversity Digitization Workshop

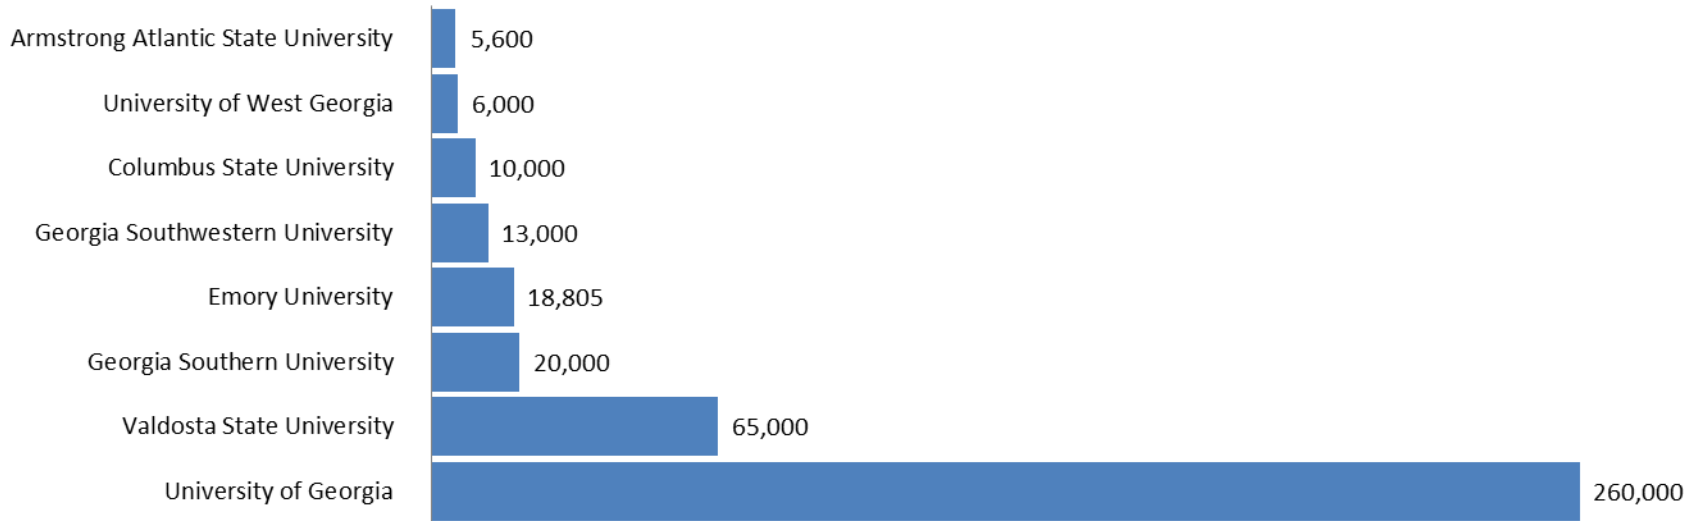

Central Michigan University

7-10 April 2014

Richard Carter
Herbarium (VSC)
Biology Department
Valdosta State University
Valdosta, GA 31698

Georgia Herbarium Alliance

Several Georgia herbaria have recently been dismantled:

FSSR: USDA Forest Service, Atlanta > GA

DECA: Agnes Scott College, Decatur > GA

SHOR: Shorter College, Rome > GA

Challenges to small collections

- Lack of curatorial expertise
- Lack of digitization expertise
- Isolation
- Inadequate understanding among colleagues and administrators of the value of biological collections in scientific research
- Inadequate financial resources
- Inadequate IT support

Georgia Herbaria

University of Georgia
GA
Athens
260,000 specimens
