

Hello Everyone,

I am in the process of ironing out the last bits of the logistics for the upcoming Imaging Workshop for Fluid-preserved Invertebrates and Microscopic slides. Please review this e-mail carefully as it provides information regarding ground transportation to and from Detroit Metro Airport , meals and your lodging assignment.

Shuttle: We are using Select Ride for transport to and from Detroit Metro Airport. I have forwarded your flight information to them so they will be tracking your arrival through the airlines. They will be waiting for you at the ground transportation pickup area. If you run into any problems, please call the service at (734)663-8898. **PLEASE REPLY TO THIS E-MAIL WITH YOUR MOBILE NUMBER**, I will forward this to the shuttle service so they can reach you in the event there are any delays.

Lodging: Participants will be staying at the Michigan league or the Bell tower hotel under the iDigBio room block. PLEASE NOTE: Anyone staying at the Michigan League must pay upon check out. You may submit the original receipt for reimbursement following the workshop. More information regarding reimbursement will be provided at a later date. Please see the list below with your hotel assignment.
